**BRAND GUIDELINES**

Edge by The PSA Network

## INTRODUCTION

Edge global network was established to bond ProAV affiliates into an elite industry team. Collaboration, communication and customer service are the core of Edge. Combine that with partnerships between top ProAV manufacturerers and service providers, and leading industry associations, the Edge advantage is unparalleled.

# LOGO CONSTRUCTION

## BRAND COLOR

Blue associations include trust and professionalism. Blue logos are known to evoke feelings of success and security from its audience. Edge is an established and proven brand that has built a foundation on partner's confidence and loyalty in the network.

Orange associations include bold and adventurous. Orange logos elicit a high degree of positivity, drive and rejuvenation. While blue recognizes the stability of Edge, orange represents its new beginning.

# GUIDELINES

To maintain a powerful presence in the marketplace, it is vital Edge maintains consistency across print and web communications. Our distinctive logo, color palette and typography give us a recognizable advantage. This manual outlines the proper use of graphics and verbiage. Consistency will enhance the branding of Edge by strengthening our recognition.

## Verbiage

When using the name Edge in standard writing, the E is capitalized. Edge should always be in title case (all capitals or lowercase is not allowed). However, all capital use can be applied when a title is formatted to all capitals; therefore, Edge will be fully capitalized.

## The Logo

The Edge logo was crafted with custom letterforms and may not be re-created or altered in any way from the supplied versions. The relationship between the Edge letters and the text “Unparalleled Partnerships” is fixed and must not be reconfigured in any way. When resizing the logo, the logo must not be skewed or distorted out of proportion. Graphic files of the logo are available from the Edge marketing department or online at <https://edge.technology>.

## Logo Clear Space

Surrounding the logo, there must be a clear space void of all imagery and typography. In ideal situations this clear space should be no less than the smaller triangle in the middle of the logo icon.

## All White Logo

When using the logo on a colored background, be sure it is light/dark enough for the logo to be legible.

## Logo Sizing

To ensure legibility, the logo should never be smaller than 90 pixels, 1.25 inches or 7.5 picas wide.
